SENDaWelcome's Community Action Group Completes Three Triathlons and Raises Almost £9,000!

We Did THREE Triathlons! We raised £8,906!
In October 2026, our Community Action Group did a big challenge.

We swam.
We cycled.
We walked.
We completed the same distance as 3 triathlons!
We did it together!

People with learning disabilities helped plan the challenge.
They wanted to raise money for things they care about.
- Our Sensory Garden
- Our Community Action Group

The group helps make life better for disabled people

They speak up about unfair things and try to make them right.
What did people say?
Simon said:
"I enjoyed it, actually."
Aisha said:
"I haven't been on a bike for years and years!"

Thank you!

Thank you to everyone who took part.
Thank you to everyone who gave money.

We are very proud of our team!
